CALL FOR EXHIBITS

ACCRA in partnership with
TECHNICAL UNIVERSITY

The Africa Regional Conference & Exhibition on Education and Skills Development (ARC-EDS) invites Technical Universities, Faculty members and Students in the upcoming 2024 ARC-EDS extraordinary conference to celebrate the achievements of the academic community, promote knowledge sharing, and inspire a new wave of innovation.

The 2024 ARC-EDS would recognize achievements in Education and Skills Development and showcase cutting-edge research projects.

1. WE INVITE

Technical Universities to submit proposals for exhibits that showcase their achievements in the following areas:

- a. **Innovative Research Projects**
- b. **Technological Solutions for Real-world Challenges**
- c. **Collaborative Industry Partnerships**
- d. **Sustainable and Eco-friendly Technologies**
- e. **Cutting-edge Developments in Engineering and Technology**

2. EXHIBIT SUBMISSION DETAILS

- a. **Eligibility:** Open to all Technical Universities and other institutions interested in showcasing their research, projects, and innovations.
- b. **Submission Deadline:** 15th May 2024
- c. **Exhibit Categories:** We welcome exhibits from a diverse range of technical fields, including but not limited to engineering, information technology, applied sciences, and sustainable technologies.
