SECTION ONE

1. DEFINITION OF TERMS

ITEM	DEFINITION
Field trip	Any school sponsored activity which occurs off school grounds for any period of time. An academic course-related activity that serves an educational purpose and occurs outside of the classroom at a location other than on the campus at which the course is regularly taught

SECTION TWO

2. POLICY

2.1 POLICY STATEMENT

Learning occurs within and beyond the classroom; students acquire knowledge, skills and attitudes through a variety of experiences and in a variety of settings. Accra Technical University therefore encourages and supports student participation on field trips that enhance and expand educational experiences and opportunities, and ensures that such trips are safe and relevant to the student's educational program.

2.2 PURPOSE

The purpose of this policy is to set down principles and procedures for the safe conduct of appropriate field trips.

2.3 SCOPE

2.3.1 This Policy applies to all academic field trips of the institution and to persons responsible for overseeing such trips.

2.4 PRINCIPLES

2.4.1 Trips designed primarily for vacation purposes, or athletic or other trips that do not fit under the principles and guidelines outlined in this policy shall not be approved.

2.4.2 All academic field trips must be clearly identified as such in the course syllabus.

2.4.3 Each field trip plan must clearly outline the specific curricular objectives for the field trip.

2.4.4 An application for the approval of a field trip must be submitted to the Dean of Faculty not later than four weeks to the event.

2.4.6 Provision for field trips must be made in the department's annual budget.

2.4.7 Detailed information about field trips must be provided to Academic Board through the Dean of Faculty before the start of the semester and must provide the date, time, locations, means of transportation, and any fees to be incurred by the institution and the student.

2.4.8 Detailed information about approved field trips must be provided to students at the beginning of the semester and must provide the date, time, locations, means of transportation, and any fees for which the student is responsible.

2.4.9 If an unanticipated opportunity for a field trip arises later in the semester, the information shall be submitted to Vice Chancellor through the Dean for consideration.

2.4.10 A week before the trip, the faculty member must discuss with students in appropriate detail any risks associated with the activity of the field trip, expectations for behavior during the trip and, any relevant emergency preparedness information.

2.4.11. The faculty member must ensure that special provision is made for physically challenged persons.

2.4.12 Either the faculty member or some other responsible Technical University official designated by the faculty member shall accompany all academic field trips; and a teaching assistant is not an appropriate leader for field trips.

2.4.13 The site of the academic field trip should be visited in advance by the instructor, or an appropriate Technical University official, to evaluate potential risks and to minimize, through effective planning, any risks associated with the location.

2.4.14 Not later than three days before the event, the faculty member must furnish the Dean of Faculty, the Dean of Students Affairs and the Head of Department with complete information about the date, duration, location, and transportation plan for the field trip. The Public Relations Office must be copied.

2.4.15 The faculty member shall also provide the Dean of Faculty, the Dean of Students Affairs and the Head of Department a roster of the names of all participating students, along with the names and cell phone numbers of all faculty or other Technical University affiliates who shall be accompanying the students.

2.4.16 If a field trip is optional each student must complete a waiver form. If a field trip is a course requirement it shall not necessary for students to complete waiver forms.

2.4.17 STUDENTS

2.4.17.1 Students on academic field trips shall be governed by the rules and regulations published in the Students Handbook. Any violation of the rules and regulations may result in disciplinary action or sanctions by the Technical University.

2.4.17.2 Students must travel with the group at all times. Students shall not be allowed to travel on their own

2.4.18 TRANSPORT

2.4.18.1 Technical University-owned vehicles or chartered buses shall be used for transportation on an academic field trip.

2.4.18.2 Students who choose to take alternative transportation aside from that provided by the Technical University shall do so at their own risk.

2.4.18.3 Students shall not transport other students on field trips.

2.4.18.4 If a Technical University-owned vehicle is used for an academic field trip, that vehicle is insured by the Technical University for liability and physical damage.

2.4.18.5 If a chartered bus is used, the bus must be secured from a company approved by the Transport Office.

2.4.18.6 Any traffic or parking violations shall be the sole responsibility of the operator of the vehicle.

SECTION THREE

3. PROCEDURES

3.1 CATEGORIES

For the purpose of administrative requirements, field trips have been coded into categories using a combination of three symbols (e.g.: 2BS 1AN, 3CN, etc.).

3.1.1 DURATION/DESTINATION

- 1. Day trips*
- 2. Overnight (within Greater Accra Region)*
- 3. Overnight (out of Greater Accra Region)*
- 4. Extended duration (four or more nights)*

3.1.2 TYPE OF ACTIVITY

- A. Outdoor Education*
- B. Other activities (visiting/observations/performances/etc.)*

3.1.3 LEVEL OF SAFETY

- N Normal Safety Issues*
- S Sensitive Safety Issues*

3.2 APPROVAL PROCESS

Field Trip Application Forms, once completed and approved by the Dean of the School, shall be filed as follows:

3.2.1 Categories 1AN, 1BN, 1CN and 2AN

Are to be kept and filed at the School/Faculty level.

3.2.2 All Other Categories

Copy is to be forwarded to the Pro Vice Chancellor for review and final approval.

3.2.3 Applications for Field Trips

Must be submitted to the Dean of the School. The Dean's signature on the field trip form verifies that the Dean:

- i. Clearly understands the nature and category of the field trip;
- ii. Has ensured that the key factors for approval have been considered including curricular relevance, cost, distance traveled, and accessibility for all students eligible for the trip;
- iii. Has ensured that the board's policy, guidelines and administrative procedures have been fully observed, and formally approves the request.

3.2.4 International trips

In addition to meeting the Principles in this policy, the approval of any international trips will be dependent on the country (ies) of destination being considered safe for travel by the Ministry of Foreign Affairs. Further, should a trip be approved on that basis, and a subsequent Travel Report advises not to travel to that country, the Board's approval for the trip shall be withdrawn, with any non-refundable deposits being the responsibility of the student.
