## How Richmond College's System works?

### Program Structure:

**Study Locally:** Complete your diploma or HND at Accra Technical University.

**Choose and Register a Richmond college Program:** Richmond College has a variety of programs which will help you obtain a UK Level 4/ 5 (university 1st and 2nd year Credits) Diploma, which is recognized by employers and approved by OFQUAL, the UK Government Higher Education regulating body.

**Study the Program's Modules:** Study only necessary modules from first year and second year courses while you are studying at Accra technical university to be eligible to top-up final year in UK. When the online modules have been successfully completed, you will then be able to take the final written assignments provided by Richmond College

### Complete Online Multiple-choice tests and written Assignments:

The Multiple-choice tests contain 30 multiple-choice questions. You will be asked to write between 2,000 – 8,000 words for each assignment.

### Receive Your Level 4/5 (University 1st and 2nd year Credits)

**Diplomas and University Credits:** On completion of the final assignments, students are awarded a recognized Diploma qualification from the OFQUAL awarding organization and become eligible dual degree program .

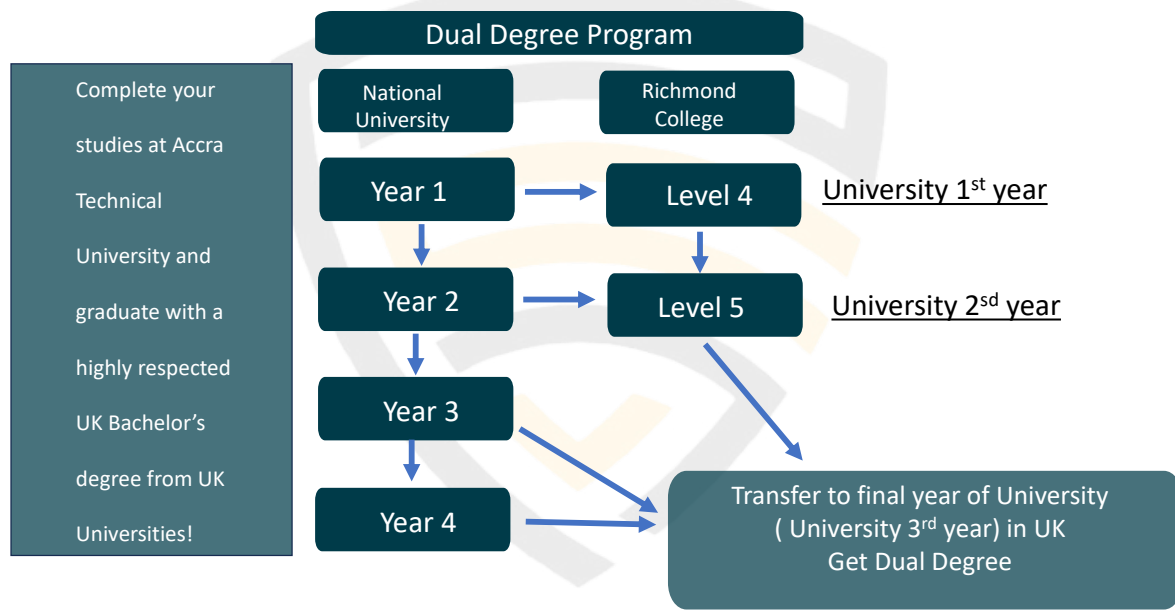

These Diplomas can then be used as progression onto completion of a full Dual Degree undergraduate or postgraduate programs, at a partner UK university, either on campus or by distance learning.

**Top-Up Year:** Top up your qualification to get Dual degree and to study final year of university such as Richmond College will help you to top up to the final year of university.

Enroll in the one-year Top-Up program with Richmond College to earn your Bachelor's degree from as Bangor University, Greenwich University, East London University, Bolton University and a lot more.

**Graduate with Dual Credentials:** Earn a dual degree—one from Accra Technical University and another from Bangor University in the UK.
